

Tunnel Light

//// TLE Series ////

Tunnel Light

//// TLE Series ////

Economy series are designed to provide high performance but low cost solution for Highway tunnel and emergency lighting etc. The industrial design is closed to traditional Flood Light which could maintain the similar style for the facility. Modularization design, covering the full power,with drive isolation design, better for heat dissipation and maintenance.

Tunnel Light

//// TLE Series ////

MAIN FEATURE

- High Performance vs low cost
- Traditional flood light design
- Covering the full power
- Competitive cost
